

# Clean Drain and Dry Monthly Raffle!

-In order to be entered into the drawing boaters must arrive at the Sutcliffe Inspection Station with their boats completely Clean, Drained and Dry.

-Inspectors will be checking ALL compartments, live wells, bait wells, motors, and equipment such as lines, lifejackets, floats, ballasts/ballast bags etc.

-Winners must have a valid permit for the day they were inspected

-Winners will be notified by email or phone call and will have a letter sent to them by the Tribal Chairperson.

-Winners will receive a month of free boating at Pyramid Lake

-This is a pilot program running until the end of September 2025. Continuation of this raffle will depend on the success of the program

\*All rules and regulations still apply, winners still need to be inspected whenever the station is open, permit exemption will only be valid for the boat registration that was used to win\*
